

CONSULT THE CALENDAR OF WASTE COLLECTION, VALID SINCE 01.08.2018

It identifies the wastes to be provided every day in your area by following the colors in the boxes. On Mondays, in the reported days and month, undifferentiated wastes will be withdrawn, on Wednesdays plastic and metals will be collected, on Fridays the paper and on Saturdays the glass. **(EXAMPLE: on August 13th in your area, the box contains the grey color: this means between 9.00 pm and 00.00 am of the day before, so the evening of Sundays August 12th, it is possible to carry out from your home the container with the grey cover of the undifferentiated).**
